The monster

Marisol O. Ruiz

This monster
stomps
on us,
committing
genocide.

A genocide
that does
not
cease to
extinguish
its hate.

Its fire
kills,
kills,
kills,
burning us
to the
ground.

A genocide
which tries to
justify itself . . .

STOP,

no one can
justify
the
assassination
of the
innocent.

I see
this genocide,
I ask,
I scream,
I write,
I read,
I think,

I join the marches,

and
divestment movements.

We denounce and denounce,
realizing

we are up against
a vicious
MONSTER,
a voracious
MONSTER.

It's a MONSTER
who wants to
kill us
gobble us up
and
make us
disappear.

They want to
silence
our love
for life,
land
water,
people.

But we will
never cease
to exist.

We are the
solidarity
movement.

We will not
stop
until
Palestine
is free
and
genocide is
no longer
someone's
lived
experience!
