Palestine

Marisol O. Ruiz

Palestine,
the freedom struggle
is arduously long
100 years
have passed and
yet

still we
fight
endure
die.

Palestine,
you are the story
told by
survivors of
massacre.

you are
the surviving
memories
and
the war trauma
that runs through
us.

Palestine,
you are
the LOVE
that grows within us,
as we fight

for freedom
life
peace
love
dignity

and for a free
